e-CODOMH

Cluster for Efficient and sustainable Construction,
buildings & infrastructure.

Cluster facilitator: MIRTEC S.A. / EBETAM A.E.

Project Code: ΓΓ1CL-0058353

Duration: 6/8/2020 - 5/2/2023

Budget/Funding: 368.899,00 € / 185.624,50 €

MIRTEC’s aim in this project is the creation of an Innovation Cluster in the field of construction and building materials, e-CODOMH.

MIRTEC is e-CODOMH cluster facilitator and supports the development, networking and promotion of cluster in Greece and abroad, as well as the evolution of e-CODOMH into a dynamic and mutually complementary ecosystem of the construction industry.

Vision of e-CODOMH is to act as a catalyst for sustainable development of the enterprises along the entire construction value chain and through the entire lifecycle of buildings and construction. Its mission is to upgrade entrepreneurship and create an added value in the Greek construction sector for Efficient and Sustainable Construction-Buildings-Infrastructure, based on the pillars of “Quality – Innovation – Knowledge – Synergies”.
